Progress on the ARRA CSBG: What December 31 Reports Show

The 12/31/09 CSBG ARRA reports (posted at Recovery.gov) include grants for the State Block Grant, tribal direct grants, OCS T&TA awards to State Associations, and several other OCS T&TA awards. Altogether, 140 grants out of CSBG funds totaling \$ 983,937,779 are in the report.

Of that total:

- 25%, or \$ 249,787,573, had been drawn down by the various grantees and \$216 M expended;
- 4,900 jobs (FTE equivalents) were created.

The State Block Grants made up 99% of the jobs and expenditures. One state and two territories had made no expenditures, while four had expended more than half their CSBG-ARRA funding. The percentages spent are shown below.

The tables below are organized by the amount expended.
